REPORT

OF SPECIAL COMMITTEE ON REVISION OF BY-LAWS OF THE CORPORATION OF THE COUNTY OF SIMCOE.

To the Warden and Members of the Council, &c.

The Special Committee appointed to revise and consolidate the
By-Laws of this County,

BEG TO REPORT :

That they have duly examined the several By-Laws from the year 1864 up to the present time, and have also compared those of former revisions with later enactments in order that the relations one with the other may be clearly observed ; and such By-Laws still remain in force, they advise should be printed in extenso, while those that have become obsolete or amended, be enumerated merely by a tabular heading in the index prepared, as useful only for a casual reference.

In preparing such Index your Committee have pursued the former method adopted by the Committee of 1864 and 1873, showing the date of each By-Law and its peculiar title, but met many of the former revision which had become obsolete by Parliamentary enactments and others amended by recent By-Laws which they have expunged from the present revision, and would suggest that in case this revision of the By-Laws meets with your approval that 400 copies be printed for the use of the Council, the officers connected with the Corporation generally, and the Magistrates of the County.

In order to complete the work of consolidation referred to, your Committee submit the accompanying By-Law, No. 282, for your approval.

All which is respectfully submitted.

BY-LAW No. X.

BY-LAW TO PROVIDE FOR THE TAKING STOCK IN THE ONTARIO, SIMCOE AND HURON UNION RAILROAD COMPANY, IN THE SUM OF £50,000—ISSUING DEBENTURES FOR THAT AMOUNT, AND SECURING PAYMENT OF THE SAME.

Passed
Dec. 20th,
1850.

Whereas the construction of a Railroad, connecting the waters of Lakes Simcoe and Huron, would tend materially to the advancement and prosperity of the County of Simcoe.

And whereas certain proposals have been made to the Directors of the "Ontario, Simcoe and Huron Union Railroad Company," for the construction of a Railroad, through the County of Simcoe at and for the sum of £6,250 per mile, on the terms following, to wit: That within two years and a half from the period of commencement, the said Railroad should be completed; taking in payment, the bonds of the County of Simcoe for fifty thousand pounds: the private subscriptions of the people of Toronto guaranteed by the 6 per cent bonds of the said company for fifty thousand pounds, the stock of the company, at par for one hundred and fifty thousand pounds, with the privileges of the charter; the sum of seventy-five thousand pounds bonus, voted by the city of Toronto in aid of the work, and the balance in Government debentures, or in the stock of the Company, at the option of the contractors, or as may hereafter be agreed upon.

And whereas the Directors of the said Company have on their part and behalf, and as far as the same relates to them, accepted the terms of the said proposals.

And whereas, also, under and by virtue of provisions of certain Acts of the Provincial Legislature, authority has been given to Municipal Corporations to take stock in the same Railroad, to an amount not exceeding fifty thousand pounds; and to issue debentures for such stock, providing for the payment in such manner and way as to the said Municipal Corporation shall seem desirable.

And whereas, also, resolutions have already been passed by the Municipal Council of the County of Simcoe, to the effect that it was expedient, for the general welfare of the County, that aid should be extended toward the construction of the said Railroad.

And whereas, also, it is now deemed proper and desirable, and it is the intention of the Municipal Council of the County of Simcoe, to assist in the construction and forwarding of the said road, by taking Stock to the amount of fifty thousand pounds in the said 'Ontario, Simcoe and Huron Union Railroad Company,' on the conditions hereinafter expressed, and providing for the payment of the same by the issue of Debentures, payable in manner and in terms hereinafter declared, and in conformity with the provisions following: "That the said Municipal Council of the County of Simcoe shall take Stock in the said "Ontario, Simcoe and Huron Union Railroad Company," to the amount of £50,000, and that the Debentures of the County to the said amount of £50,000 shall be prepared, payable in 20 years, bearing interest at the rate of 6 per cent. per annum, such interest being payable half-yearly, and that such Debentures should be lodged in the hands of the County Treasurer, to be by him issued from time to time, at, by and upon the written order of the Warden of the Municipal Council of the County of Simcoe, for the time being; that such order shall be given by the said Warden of the Municipal Council of the County of Simcoe, upon the written certificate of the Chief Engineer employed in the construction of the work, being first had and obtained, to the effect that certain fixed amounts have been actually expended on the same, to wit: that when the amount of £10,000 shall have been laid out and expended by the Contractors in the actual laying down, construction and building of the said road; that the fifth part of such sum or £2 000 in debentures shall be issued; the remainder of such debentures shall be issued at a like ratio, of one-fifth, upon such certificates first had and obtained as aforesaid, until the full sum of £50 000 debentures shall have been issued; that any profits which may arise during the construction of the work, and until the road is completed, shall go to and be paid to the said "Ontario, Simcoe and Huron Union Railroad Company;" that the sum of £250,000 balance shall be paid in Government debentures, or in the stock of the Company, as may be agreed upon between the Directors and Contractors employed on said road; that three members of the Council be appointed, as commissioners, to complete the contract on the part of the said Municipal Council of the County of Simcoe, with the Directors of the "Ontario, Simcoe and Huron Union Railroad Company," which said Commissioners shall retain their appointment until the Contract be fully agreed upon, and entered into, and shall have full power to trans-

act all and every, the necessary business, previous to the stock being taken therein; to examine and thoroughly satisfy themselves that the security offered, given and entered into, for the construction and completion of the said Railroad; and laying down the same on the Western side of Lake Simcoe, and in every other manner carrying out the said contract; be full, ample, perfect and undoubted.

Be it therefore hereby enacted by the Municipal Council of the County of Simcoe, assembled pursuant to the statutes in that case made and provided, and it is hereby enacted by the authority of the same, That £50,000 of stock of the "Ontario, Simcoe and Huron Union Railroad Company" be taken forthwith by the Warden of the said Council, for, and on behalf and in the name of the said Municipal Council, of the said County of Simcoe, subject to the provisions and conditions in the recitals hereinbefore mentioned.

And it is hereby enacted, That for the payment of such Stock, there shall be issued by the said Council, Debentures to the amount of £50,000, payable in twenty years from the issuing thereof, with interest thereon at the rate of 6 per centum per annum, payable half-yearly.

And it is also hereby further enacted, That there be raised and levied out of from and upon all assessable property of the said County, in each year, of the next ensuing four successive years from the date hereof, such sum of money as shall be sufficient for the payment of the interest which shall accrue and become payable on the Debentures which shall or may be issued for the above purpose.

It is also hereby further enacted, That for the above purpose and in manner aforesaid, there shall be raised and levied in the next twelve successive years thereafter, namely, in the years which shall be in the years of Our Lord 1855, 1856, 1857, 1858, 1859, 1860, 1861, 1862, 1863, 1864, 1865 and 1866, respectively, such sum of money as shall be sufficient for the payment of the interest which shall accrue and become payable on the Debentures which shall or may be issued for the above purpose, and also for the payment of one-twentieth part of the principal money of the said £50,000, of said Debentures.

It is also hereby further enacted, That for the purpose above, and in manner aforesaid, there shall be raised and levied in each year of the next four successive years, which will be in the years of our Lord 1867, 1868, 1879 and 1870, respectively, such sums of money as shall be sufficient for the payment of the interest which shall accrue and become payable on the Debentures which shall or may be issued for the above purpose, and also for the payment of one-tenth part of the principal money, of the said £50,000, of said Debentures.

And it is also hereby further enacted, That Debentures shall and may be issued, from time to time, as may be deemed expedient by the Warden of the said Council, for the purpose of paying such part of the said £50,000 of Debentures, as shall be found requisite and necessary to be paid to the said Railroad Company in accordance with the provisions hereinbefore in the said recital

set forth, and that such amount of Debentures shall be paid to the Directors of the said Railroad Company, whenever the said Directors shall be entitled to receive the same, or within a reasonable time, not being more than seven days thereafter.

And it is also hereby further enacted, That William Armson, Thomas McConkey, and Jonathan Lane Esquires, be the Commissioners appointed, and they are hereby authorized and appointed to do all other things which may be necessary to carry out the objects of the said Municipal Council, in relation to the taking of the said £50,000 of Stock in the said Railroad Company, and as to all preliminary arrangements that may be connected therewith, which may be in accordance with the spirit of this By-Law, the said Commissioners to retain their authority until the said contract be completed.
